Dear Mr.Morss,

Please excuse my delay to answer your report about the DX special program from C.K.V.M. in Ville-Marie, Qué, for the members of teh National Radio Club, on March 1, 1953. Your report is right and I thank you very much. Most of the members of the National Radio Club could not listen to C.K.V.M. after 5.30 a.m., when WOR came on the air.

Your truly,

Guy Burelle
